Annual Registration Statement Identifying Separated Participants with Deferred Benefits, Schedule SSA—0960-0606 (1999 edition). Schedule SSA is a form filed annually as part of a series of pension plan documents required by Section 6057 of the IRS Code. Administrators of pension benefit plans are required to report specific information on future plan benefits for those participants who left plan coverage during the year. SSA maintains the information until a claim for Social Security benefits has been approved. At that time, SSA notifies the beneficiary of his/her potential eligibility for payments from the private pension plan. The respondents are administrators of pension benefit plans or their service providers employed to prepare the Schedule SSA on behalf of the pension benefit plan.

Below are the estimates of the cost and hour burdens for completing and filing Schedule SSA(s). We have used an average to estimate the hour burden. However, the burden may be greater or smaller depending on whether the respondent is a large or small pension benefit plan and how many Schedule SSA's are filed in a given year.
